

# Structured Judgement Review in Mental Health

A virtual introductory masterclass

Thursday 17<sup>th</sup> March 2022, 14.00 – 16.00

Delivered via Zoom

## Masterclass overview:

- Background and introduction to SJR in mental health
- An introduction to SJR methodology
- Learning from SJR
- Using SJR within mental health settings
- An opportunity for breakout discussions with people from different trusts and settings
- Q&A sessions

This masterclass is **free to attend**. Please get in touch to book your place. A cancellation charge may apply if less than 48 hours' notice is provided.

This event will be delivered by:

### Allyson Kent

*Mortality Improvement Fellow,  
Improvement Academy*

Allyson is a Mortality Improvement Fellow with the Improvement Academy, supporting both our 'Learning from Deaths' training and our 'learning by doing' Quality Improvement training.

Allyson was a member of the Royal College of Psychiatrists expert reference group on Learning from Deaths and is a Queen's Nurse.

### Frankie Hill

*Quality and Patient Safety Lead  
Leeds and York Partnership  
Foundation Trust*

Frankie is a Quality and Patient Safety Lead with a focus on patient safety. She has held this role since August 2021. Prior to this Frankie has been a Matron since 2007 in Intermediate Care, Surgical Specialities and Stroke and neurology. She experience with inquest management and learning from deaths.

Frankie was seconded for a year 2019/2021 into the Improvement Academy where she was a Clinical Leadership Fellow focussing on Mortality, "A just culture" and second victim. Frankie is a trustee at Mind in Bradford.

Places are limited and will be allocated on a first come first served basis.
